# INTRODUCING NEW VOLACTIVE® ULTRAWHEY SUGAR FREE WPC

We all know consumers are becoming more aware of the need to reduce sugar in their diets. It is a huge focus for public health bodies, and is a trend set to continue. Quite often consumers feel they have to compromise on taste when consuming sugar free products and in their quest for clean label products.

Volactive® UltraWhey Sugar Free WPC is the perfect solution for whey protein shakes and bars, delivering a great creamy taste, high protein and zero sugar - simple.

Great for both Performance and Active consumers looking for sugar free versions of their whey protein products along with a clean label and delicious taste.
